INDICATIVE INFORMATION ON STUDENT DIRECT COSTS (NOT PAYABLE TO THE UNIVERSITY BUT TO STUDENTS)

The following information may be used in estimating costs that are payable directly to the student. The costs are only indicative except where indicated. Hence, it is upon students and their sponsors to reach an agreeable living cost for them to pursue their programmes from any of the campuses in the university, comfortably. For example, students pursuing their programmes from their homes might not need money for accommodation.

- MSc in Information Technology and Systems is a **TWO YEARS** course that requires students to complete **FOUR** semesters of **SEVENTEEN** weeks each. It requires candidates to successfully complete a total of **ONE HUNDRED and EIGHTY** credit points: one hundred and forty (140) credit points for completing **COURSE WORK** during semesters **1-3** and forty (40) credit points for implementing the **FIELD PROJECT REPORT** during semester 4. In semesters 1-3, the student will have to complete a **FIFTEEN** courses i.e. **FIVE** courses in each semester and a **FIELD PROJECT REPORT** in the 4th semester during which they will stay off campus.
- MSc. Applied Statistics is a **ONE AND HALF YEARS** degree programme that requires students to complete **THREE** Semesters of **SEVENTEEN** weeks each. It requires candidates to successfully complete **COURSE WORK** during semesters **1-2** and **FIELD PROJECT REPORT** during semester 3. In semesters 1-2, the student will have to complete a total of **TEN** courses i.e. **FIVE** courses in each semester and a **FIELD PROJECT REPORT** in the 3rd semester during which they will stay off campus.
- For both degree programmes accommodation is Tshs. **178,500** per month for a few who will be able to secure rooms on campus and between Tshs. 10,000/= and 20,000/= per day for those staying off-campus in private accommodation.
- Food is estimated at Tshs. 10,000/= – 15,000/= per day
- Books and Stationeries Tshs. 1,000,000/=
- Students staying on campus will need caution money of Tshs. 100,000/=, which is refundable, after clearance, on completion of studies.
- Cost for field project report should be determined by individual sponsors or guardians though it is approximated between Tshs. 5,000,000/= and Tshs.10, 000, 000/= (or even higher), depending on the type of research and where it is conducted.
- The University reserves the right to change fees at any time without notice.
- Fees once paid are not refundable.

(Exchange rate is estimated at 1 TZS = 0.00045USD)

Dr. Fred Alfred (PhD)
